

The taskbar at the bottom of the screen features a search bar on the left with the text "Pesquisar na Web e no Windows". To its right is a task view icon (four squares). The taskbar then contains several application icons: Edge, File Explorer, PowerPoint, Store, OneDrive, Excel, Outlook, Word, Chrome, and a purple icon. On the far right, there are system tray icons for network, volume, and notifications, along with the system clock showing "11:19" and the date "07/07/2016".
